

# Strawbridge School PTA is GREEN!

## Please jump on the bandwagon.

In our continued efforts to save money and the environment the below “paperless” communication systems are currently in place for the Strawbridge PTA. Please review your options and provide us with the necessary information to keep your family up to date with all PTA events and activities this year.

The PTA website, [www.strawbridgepta.org](http://www.strawbridgepta.org), is our most reliable and up to date communication source. We would like families to make the commitment to visit the website often to keep abreast of events/activities and print documents as needed. Add [www.strawbridgepta.org](http://www.strawbridgepta.org) to your list of favorites for easy access to information about the school and the PTA.

We also encourage you to sign up for the PTA email system. Stay in the loop and help us have a successful year! Please sign up for emails by providing your name and e-mail address(es) to our PTA E-mail Coordinator, Becky Sheehan, at:

[Sheehanfamily@me.com](mailto:Sheehanfamily@me.com)

If you are already on the PTA e-mailing list and your e-mail address is the same, you don't need to do anything. If you were signed up but have not been receiving e-mail, please update your address to Becky at the above e-mail address.

If you cannot go paperless at this time please fill out the form below and send it to the PTA Blue Box marked “Paper Communication.” \*\*

-----

I cannot go green at this time, please continue to give me paper mail.

Name \_\_\_\_\_

Child(ren) Name

Teacher(s) Name
