

An Invitation to Create!

Accept this invitation to create based on this year's PTA Art Reflections theme, "Diversity Means...". Take the time over the summer to be inspired and begin or complete your entry in any or all of these 3 areas of expression; visual art, literature or photography. Remember all entries must reflect the theme. Each student can submit as many entries as they can imagine! For more specific details and rules for the contest contact Heather at Heathertallman@comcast.net or PTAreflections.org. All entries will be due in October 2011.
