

Market Day, the original fundraising food co-op, has been in operation since 1975. Strawbridge School has participated in this program since 2004 with profits in excess of \$37,000 in conjunction with other participating Haddon Township schools.

Each month restaurant-quality food products, from the same vendors that supply many upscale restaurants, are available for your purchase. Market Day products are competitively priced and our PTA will earn a profit of 10% to 20% of your purchase. The higher our sales the higher our profits.

Strawbridge has set a goal for the 2010-11 school year to earn \$1800, which is more than enough to fund both our school library & Living History!!

The best part is we can earn this money without our students going door-to-door, without purchasing products we wouldn't ordinarily purchase, and with the knowledge that all products are of exceptional quality and covered by Market Day's 100% SATISFACTION GUARANTEE!

A flier and order form will come home once a month with your child. Please take a few minutes to review it and place an order. We are confident that this fundraising program will not only benefit our school and the programs we support, but will also benefit you as the consumer.

You can find out more about Market Day and even place your order online at www.marketday.com Register your e-mail address to receive reminders and special offers to on-line customers. This fall Market Day is offering an awesome “Connect2Win” contest with prizes ranging from an Apple iPad to Market Day gift certificates for both you and your home school!
